## SCHOOL-COMMUNITY RELATIONS

### *Series 1000*

**Policy Title:       Distribution of Non-District Materials**

**Code Number:     1001.80**

- A. Except as provided in Paragraph B, prior to distribution, non-district materials must be approved by the Superintendent's designee in the District's Education Service Center in accordance with the Administrative Regulation.
- B. Without prior review by Education Service Center personnel, Principals may approve notices germane to their building that students, employees or parents of their school desire to distribute. Examples of such materials would be announcements of student birthday parties, fundraisers by school-related clubs, etc. If there is any question whether a particular item falls into this category, it should be forwarded to the Education Service Center for review. Principals will require any item distributed pursuant to this section to contain the following statement: **"THIS MATERIAL IS NEITHER ENDORSED NOR SPONSORED BY THE SIOUX CITY COMMUNITY SCHOOL DISTRICT."**
- C. Permission to distribute the material does not imply approval of its content by the school, the administration, the Board or the district's employees. Approval for distribution of all non-district materials will be granted or denied on a content neutral basis, except that the District shall retain the right to impose reasonable time, place and manner restrictions on such distributions as detailed by Administrative Regulation.
