Policy Title: Public Performance by Students

Code Number: 1005.1

The Board of Directors recognizes that participation in civic and community affairs is valuable. The Board encourages the involvement of students in public performances when it does not unduly interfere with the student program.

1. All performances shall be approved by the building administrator involved.
2. The balanced use of performing groups should be encouraged.
3. Extensive travel by a particular group should be discouraged.
4. Student groups below the senior high level should engage in only limited activity.

See Board Policy 505.13.
