STAFF PERSONNEL

Series 400

Policy Title: **Tutoring**

Code Number: **405.4**

District personnel may render privately paid tutorial services to students only outside of their regular work for the District, after school hours and at a location other than a school facility. District personnel or members of the community shall not use any District facilities, equipment or materials (except a student's musical instrument and curriculum materials) for tutoring students if those involved are paid with funds other than District funds.

See Board Policy 1004.1—Community Use of School Facilities.
