Policy Title: Full-Time High School Student and Schedule Changes

Code Number: 684.06

In order to be considered a full-time general education student in the Sioux City Community School District, each student shall schedule a minimum of five (5) academic courses per semester that count toward the GPA, plus physical education.

Courses designated as *Post Secondary Enrollment Option* or *28E* courses may be scheduled as part of the required five (5) academic high school courses defining a full-time student.

Students who wish to add additional classes to their schedule must do so prior to the tenth day of school in each semester enrolled. Students shall be allowed to drop a class up to the end of the fortieth school day of the first or third marking period without credit or grade penalty. Students dropping a class after the fortieth school day of the first or third nine-week period will receive a failing semester grade. No class will be dropped without the permission of the parent/guardian and the building principals or his/her designee.

The principal may grant exceptions to this policy.

This policy does not apply to the Individualized Learning Center (ILC).
