Series 700

Policy Title: Inclement Weather/Unsafe or Hazardous Road Conditions

Code Number: 709.4

Weather conditions may interfere with the safe and orderly transportation of students. The final judgment as to when conditions are unsafe (or have a high probability of being or becoming unsafe) for transportation of students will be made by the Superintendent or his/her designee. The following policy shall apply:

1. The standard delay time for late arrival due to weather is two hours. The standard early dismissal due to weather is a dismissal two hours ahead of the regular dismissal time for a building. However, the Board recognizes that special circumstances may, from time to time, dictate some deviation from this standardization. The public shall be notified of cancellations, late starts and early outs through SNOWCAP, an interagency link with media outlets, or ParentLink.
2. In the event of late arrival due to weather, no morning Preschool classes will be held. In the event of early dismissal due to weather, afternoon Preschool classes will not be held.
