Preschool Initiative 2007-2008

Description

Beginning in the fall of 2007, Sioux City School District - **Preschool Initiative** has preschool openings for 4-year old children.

- The Initiative is a partnership of the school district and area preschool providers organized to provide increased access to quality preschool programming for 4-year olds.
- The preschool programs will be taught using certified teachers and educational staff.
- The community agencies provide curriculum programs and are evaluated by national (NAEYC) or state (QRS & QPPS) quality certifications.
- All families will be asked to provide up to date immunization records for children enrolled in preschool programs and to complete enrollment forms at preschool site – this may include family/guardian financial information necessary to determine eligibility for scholarship assistance.
