The next alternate date is scheduled for July 25th, but the District will wait to hear more from the Governor by June 17. Dr. Gausman is contemplating surveying graduates to see if they still wish to hold an in-person graduation ceremony. Dr. Gausman reassured the community that the Arts are not being eliminated.
Director Albert went on record to respond to earlier comments about West Middle, noting that while she does not personally know the principal, she does not believe the blame should be put on one person for the issues at West Middle. She did not like how that sounded from her perspective.
